VADLA SAI SATWIK

20/207-2A, Hanumesh Nagar,Guntakal – 515801 | saisatwikvadla@gmail.com | +91 77027 56092

CARRIER OBJECTIVE :

To obtain a challenging position in a reputed organization where I can utilize my technical knowledge and skills in Electronics and Communication Engineering to contribute to the company's growth while enhancing my learning and professional development.

EDUCATION :

B.Tech, Electronics & Communication Engineering 2022-26
Kuppam Engineeing College, CGPA – 6.2/10

INTERMEDIATE 2022
SASTRA Jr College, 60%

10th (SSC Board) 2020
INDUS E.M High School, 87%

TECHNICAL SKILLS :

- Programming Languages – C, Matlab , PCB Design , Verilog ,IOT ,Python.

INTERNSHIPS:

Internet of Things – Vaultsphere AI Technologies Pvt. Ltd. **MAY 25 - JULY 25**

- Gained practical experience in IoT systems design and implementation.
- Worked on sensor integration, data collection, and cloud-based monitoring applications.
- Enhanced knowledge in embedded systems, microcontrollers, and IoT communication protocols.

ACADEMIC PROJECTS:

SMART GESTURES CONTROLLING FOR FAN AND LIGHT

- Hands-Free Operation: Enables users to control electrical appliances without physical contact, ideal for hygienic and accessible environments.
- Intuitive Interface: Simple, predefined gestures (e.g., swipe up/down, circular motion) are used to control devices like fans and lights.
- Technology Foundation: Utilizes sensors such as infrared or proximity sensors, and may employ machine learning algorithms to detect and interpret gestures accurately.

SMART RAILWAY GATE

- Developed an IoT module using NodeMCU and a Wi-Fi protocol to transmit operational data (gate status, faults) to a ThingSpeak Cloud dashboard for remote monitoring.
- Designed the circuit and motor drive system (L293D) to power a high-torque DC motor, ensuring reliable operation of the barrier mechanism under various conditions.

TRAINING AND WORKSHOPS :

- Attended 6 weeks workshop on Verilog. **OCT 25**

CERTIFICATIONS :

- Cybersecurity – Skill India
- Python Programming – IBM
- Artificial Intelligence for Entrepreneurship – Skill India

INTERESTS :

- Reading Books
- Playing Games
- Drawing

STRENGTHS :

- Team Player
- Adaptability
- Sportiveness

PERSONAL DETAILS :

- Full Name : V.Sai Satwik
- Father's Name : V.Vijay Kumar
- Mother's Name : V.Kalpana
- Nationality : Indian
- Date of Birth : April 05,2005
- Languages known : English,Hindi and Telugu

DECLARATION :

"I confirm that all statements and data presented in this resume are true and correct "

DATE :

PLACE : KUPPAM **SIGNATURE**
